BOOK SYNOPSIS

Bien Cuit introduces a new but decidedly old-fashioned approach to bread baking to the cookbook shelf. In the ovens of his Brooklyn bakery, Chef Zachary Golper bakes loaves that have quickly won over New York's top restaurants and bread enthusiasts around the country. His secret: long, low-temperature fermentation, which allows the bread to develop deep, complex flavours and a thick, mahogany-coloured crust - what the French call bien cuit, or well baked. Golper recreates classic breads for the home baker along with an assortment of innovative gastronomic breads.

BIEN CUIT THE ART OF BREAD FEATURES AN EXPOSED SPINE - Are you looking for Ebook Bien Cuit The Art Of Bread Features An Exposed Spine ? You will be glad to know that right now Bien Cuit The Art Of Bread Features An Exposed Spine is available on our online library.
