BOOK SYNOPSIS

Now in its third edition, *Doing Business with Ukraine* is the most authoritative guide available to investment and trading opportunities, and to the structural, legal and market changes underway in the country. With a GDP growth of just over 12% year-on-year reported in 2004, Ukraine, one of the largest countries in Europe, now boasts one of the strongest GDP growth rates among all transition economies and one of the best in the world. The guide examines the legal and regulatory framework, business practice and regulations, and surveys the potential of several key industries. In addition, the guide devotes a special section to investing in Ukraine's regions.
