## BOOK SYNOPSIS

Now more than ever, the need is great for medical students, physicians, nurse practitioners, and other healthcare providers to understand managed care. With clear explanations of issues ranging from medical costs to healthcare reform, *Managed Care Made Simple* is an invaluable resource for anyone who has chosen a career in the health professions. The second edition of this successful book updates the latest in this rapidly changing field. Every chapter has been revised and a new section on legislative initiatives has been added. Dr Baldors straightforward approach offers a greater understanding of medical economics for physicians and their patients.
