BOOK SYNOPSIS

We are in the midst of a sleep deprivation crisis, writes Arianna Huffington, the co-founder and editor in chief of The Huffington Post. And this has profound consequences - on our health, our job performance, our relationships and our happiness. What is needed, she boldly asserts, is nothing short of a sleep revolution. Only by renewing our relationship with sleep can we take back control of our lives. In her bestseller *Thrive*, Arianna wrote about our need to redefine success through well-being, wisdom, wonder, and giving. Her discussion of the importance of sleep as a gateway to this more fulfilling way of living struck such a powerful chord that she realized the mystery and transformative power of sleep called for a fuller investigation. The result is a sweeping, scientifically rigorous, and deeply personal exploration of sleep from all angles, from the history of sleep, to the role of dreams in our lives, to the consequences of sleep deprivation, and the new golden age of sleep science that is revealing the vital role sleep plays in our every waking moment and every aspect of our health - from weight gain, diabetes, and heart disease to cancer and Alzheimers. In *The Sleep Revolution*, Arianna shows how our cultural dismissal of sleep as time wasted compromises our health and our decision-making and undermines our work lives, our personal lives -- and even our sex lives. She explores all the latest science on what exactly is going on while we sleep and dream. She takes on the dangerous sleeping pill industry, and all the ways our addiction to technology disrupts our sleep. She also offers a range of recommendations and tips from leading scientists on how we can get better and more restorative sleep, and harness its incredible power. In today's fast-paced, always-connected, perpetually-harried and sleep-deprived world, our need for a good night's sleep is more important - and elusive -- than ever. *The Sleep Revolution* both sounds the alarm on our worldwide sleep crisis and provides a detailed road map to the great sleep awakening that can help transform our lives, our communities, and our world. From the Hardcover edition.

THE SLEEP REVOLUTION TRANSFORMING YOUR LIFE ONE NIGHT AT A TIME - Are you looking for Ebook *The Sleep Revolution Transforming Your Life One Night At A Time*? You will be glad to know that right now *The Sleep Revolution Transforming Your Life One Night At A Time* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *The Sleep Revolution Transforming Your Life One Night At A Time* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *The Sleep Revolution Transforming Your Life One Night At A Time* and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *The Sleep Revolution Transforming Your Life One Night At A Time*. To get started finding *The Sleep Revolution Transforming Your Life One Night At A Time*, you are right to find our website which has a comprehensive collection of manuals listed.
