BOOK SYNOPSIS

UK Driving Test - 2017 New Test Details Pass First Time - Save **◆◆** Hundreds An Examiner Tells You How ! Blast away myth and misinformation, ditch the nerves and save hundreds of pounds. How? By reading all the tips and tricks, that even most instructors dont know, from an insider source, that will help you sail though The Test. This is not a learn to drive book, under a pass the test cover; your instructor is the person to teach you to drive. There are no complicated systems for you to learn in here, only genuine information and tips straight from the examiners themselves, that you need to know, and that most instructors dont! Find out: * the real truth about quotas* why hitting the kerb may not be the end* why spending hours learning one of the hardest techniques is a waste of time!* why some mirror check techniques can cause you to fail* when is too slow, too slow?* how to make roundabout decisions easy* why you should never give up* what is the best time to take your test?* manoeuvres, and how to make them easy!* how to ensure success on the Independent Drive* Ive gone the wrong way! its all over, isnt it? plus many more little known revelations. Also included: a no holds barred section that lifts the lid on ways to ensure you get the right instructor. All this really can save you hundreds of pounds, and tons of heartache, plus an email hotline to the author for any unanswered questions. updated 2013
