

BOOK SYNOPSIS

This bestselling text remains the study and review reference of choice for both residents and practicing anesthesiologists. Ideal for orals and continuing education preparation, Yao & Artusio's Anesthesiology, 8th Edition, uses a practical question-and-answer format to present more than 60 real-world cases, guiding you logically through the process of identifying effective options for patient care. Discussion of each case follows the questions, helping you understand the key knowledge needed for today's surgical anesthesia and individualized patient management.
